Continuous Internal Evaluation(CIE-1)

Name	P	R	A	B	H	A	T	H		
USN	1	B	M	2	0	A	I	0	4	3

Instructions:

Section 1: Answer all questions (4 questions, each carrying 5 marks)

- Read each question carefully before attempting to answer.
- Allocate your time wisely to ensure that you have sufficient time to address all questions.
- Answer each question concisely and directly. Ensure that your directly relate to the question asked .Provide relevant examples or explanations to support your answers wherever possible.
- Pay attention to the allocated marks for each question and adjust the depth of your response accordingly.

Section 2: Choose 2 out of the 4 questions (Each selected question carries 10 marks)

- Carefully read all four questions in this section before making your choices.
- Choose the questions that you feel most confident in answering and where you can showcase your understanding of the subject matter.
- Clearly indicate which questions you have chosen by writing the question number at the beginning of your response. Allocate your time wisely between the two selected questions to ensure that both receive adequate attention.
- Provide in-depth and well-structured answers, making use of relevant theories, concepts, or examples to support your arguments.

Total Marks Obtained	35
